DECLARATION OF GOOD RELATIONS AND MUTUAL INTERESTS

With the desire of developing and reinforcing the good relations and co-operation between the Ministries of Energy of the Republic of Djibouti and the Republic of Iceland and on the basis of equality, mutual respect, national sovereignty and the non-interference of internal affairs of each respective Nation and for the purposes of their mutual interests, the Minister of Energy and Natural Resources of the Republic of Djibouti and the Minister of Industry and Energy of the Republic of Iceland hereby declare:

That, in light of increased global pollution and necessity for a clean sustainable energy resource, inter governmental co-operation in the field of sustainable energy is of the utmost importance to reduce the emission of green house gases and to facilitate the production of clean renewable energy.

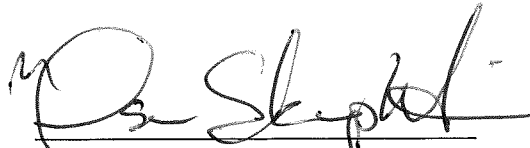

That they therefore wish to co-operate in good faith to strengthen their relations in the field of Geothermal Development by supporting each other's endeavours to explore, develop and harness sustainable geothermal energy to the mutual benefit of both Nations and their citizens.
